

LattePanda Alpha 864 – Tiny Ultimate Windows / Linux Device

SKU:DFR0546

INTRODUCTION

LattePanda Delta is currently under the status of Pre-order and will be shipped in September. All pre-orders will be sent along with two free gifts - Active cooling fan & 45w PD Power adapter.

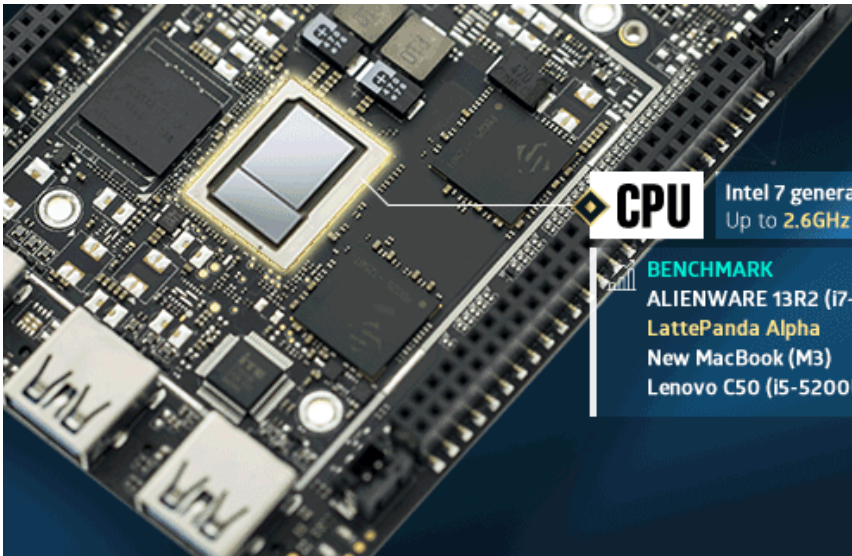

Alpha Edition - Generally refers to the leader in a wolf pack, α / Alpha. It will also be the leader in the LattePanda series, the most powerful in performance. Known as the leader of the Pandas, or "AlphaPanda" for short.

The Alpha Edition uses the same Intel 7th generation Core m3 processor as the latest MacBook. The Core m3 processor is the perfect choice for superior performance and low power consumption.

We have shrunken this computing monster from a laptop to the size of a phone.
