

Made in the
United States of America

This SCS Dual-Wire Thermoplastic Wrist Strap consists of an insulative exterior with a conductive interior and a 3.4mm dual conductor jack. The wrist strap is light weight, low profile and safely makes contact with human skin. The “zipper” style latching mechanism easily adjusts to most wrist sizes. Made to be used in conjunction with all [SCS Workstation Monitors](#). Meets requirements of ANSI/ESD S20.20 and Wrist Strap standard ANSI/ESD S1.1. Designed for use with SCS [Dual-Wire Coil Cords](#) (not included).
